About Us

The Voice of Urban Atlanta

Born out of the Civil Rights Movement, The Atlanta Voice has been at the epicenter of social unrest, citizen engagement and chronicling the history of African American discourse since its inception in 1966. It’s in our DNA. For more than 56 years, we are proud of our legacy as Atlanta’s most widely read and highly respected African American owned newspaper. We are currently in the process of executing a digital transformation strategy that will enable us to sustain ourselves for the next 56 years. As such, we have diversified our product line, expanded our reach and become a 24/7 multimedia news source.

As one of the largest audited African American newspaper in Georgia, with 24/7 online presence and distribution throughout metro Atlanta, The Atlanta Voice is distributed free of charge in commercial outlets, news boxes and local libraries.

As a premiere African American-owned news weekly in the U.S., we are also masters of distribution of social and online content. The Atlanta Voice possesses a combined monthly reach of over 500k. Not only do we offer a variety of print publications that provide extended opportunities to engage our readers, we also maintain a robust digital foot-print on leading platforms, including an interactive, mobile responsive website, that both expands and enhances our reach in real time.

The Atlanta Voice is a proud member of:
National Newspaper Publishers Association (NNPA)
National Newspaper Association (NNA)
Local Media Association (LMA)
Georgia Press Association (GPA)
Georgia Minority Supplier Development Council (GMSDC)
Word in Black (WIB)

Specialty Publications

Our Newest Publication Launches in March 2022

HealthPlus

HealthPlus, with entry points in print, digital and interactive, will feature profiles of physicians and other healthcare professionals, explore health disparities affecting communities of color as well as provide substantial information about common health-related topics like nutrition, healthy living, mental health, work-life balance and so much more. Further, HealthPlus addresses the myriad socio-economic and environmental factors that can positively or negatively affect the quality of life of our readers. There will be opportunities for physicians and researchers to submit articles on key research findings, medical updates and information that is vital to the community.

Home Ownership Guide

June 2022

The Atlanta Voice is doing its part to help prepare African Americans and other minorities to buy and keep homes of their own. Intergenerational wealth building through homeownership will be one of many very important issues covered in this annual consumer resource guide.

Financial Literacy Guide

October 2022

The Atlanta Voice publishes an annual consumer resource guide focusing on financial literacy. With an aim to target and create financially responsible families so that they can make healthy economic decisions, this resource guide has mass consumer appeal and generates a great deal of interest from our loyal readers.
